The CLIMINVEST Learning Centre & Marketplace

Bruno Almeida – UNPARALLEL Innovation

02/10/2026

CLIMINVEST Learning Centre – Online Today

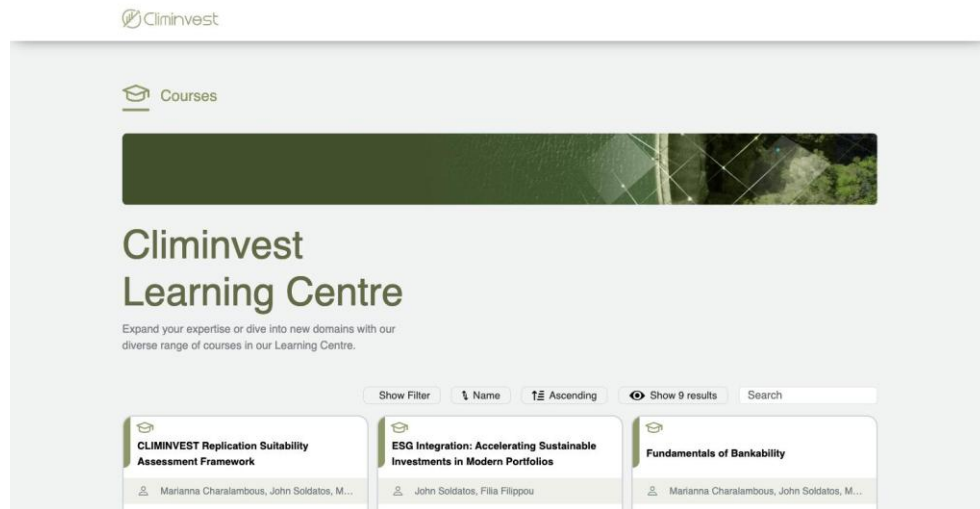

The single entry point to the CLIMINVEST training resources

10 courses and tutorials on bankability, climate finance, financial modelling and replication

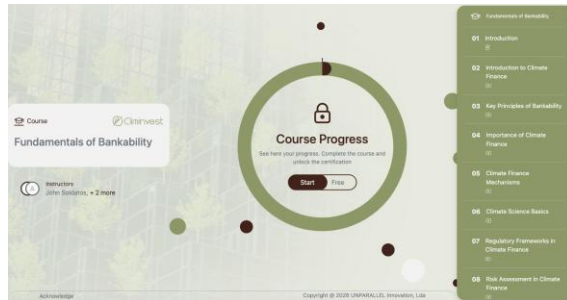

Free and online, with videos, PDFs, infographics and quizzes

Each course can be followed step by step, or freely

learning-centre.climinvest-horizon.eu

Learning Centre – How It Works

Course overview and progress

Chapters with video, PDF and text

Quizzes for self-assessment

Learners follow their progress and mark each chapter as complete.

CLIMINVEST Marketplace

One place for bankable climate adaptation projects

Each project has its own page: Overview, Characterization, Indicators and Reports

Projects can start from the pre-screening questionnaire or from an existing PDF document

Bankability reports generated from the project data

dev-marketplace.climinvest.unparallel.pt

Marketplace – Characterization, Indicators and Reports

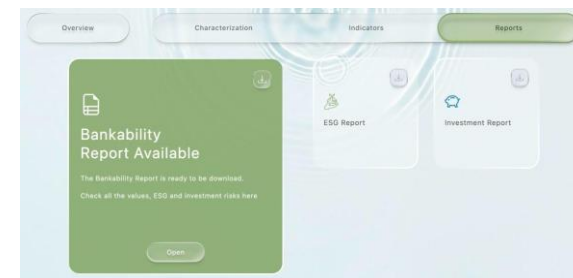

Characterization

Project information organised in 6 modules: Technical, Financial, Climate, ESG, Risk and Governance

Indicators

Financial indicators and the ESG performance score of the project

Reports

Bankability, ESG and investment reports, ready to download

Let's see this in action!
